

# Conservative Career Workshop

## Launch your Career

The Conservative Career Workshop helps you sharpen your professional skills and prepare for your next career move. It provides lectures from expert faculty on how to highlight your personal strengths to appeal to potential employers. Ideal attendees include students, entry-level staffers, and anyone looking to start or move up in a career in the conservative movement.

You will learn how to:

- Find your career path
- Negotiate your salary
- Enhance your resume and interview skills
- Effectively brand yourself
