

Digital Creative Workshop: Photoshop

Wednesday, December 2

1:00pm Design Principles

Get an introduction to design principles for non-designers. You'll learn:

- how to work with colors and fonts;
- analyze examples of effective and ineffective design; and
- how to identify helpful online resources for your use.

1:30pm Adobe Photoshop

Learn how to use Adobe Photoshop for design. You'll learn:

- how to fix common photo problems with cropping and color correction;
- how to combine pieces of multiple photos, other work, and text; and
- how to create three common graphic styles for social media.

4:00pm Adobe Photoshop: GIFs

Learn how to create GIFs with Adobe Photoshop, from either images or video files.

The last workshop segment will end at 4:00pm
